NEW FOR SPT
IN 2025

SPT **EXTREME**: A POP-UP TV EXPERIENCE LIKE NO OTHER!

The Stealth Patio Theater (SPT) *Extreme* is a unique, retractable outdoor LED TV system. Its four massive screen sizes are large enough to be seen from the patio, the pool, and the entire backyard! When not in use the SPT *Extreme* disappears from view, retracting into its base.

For audio as big as the screen, choose from cabinet-mounted speakers, which can operate while the display remains closed, or a Sound Bar that rises with the screen. Both options feature Stealth's speaker technology to produce high-quality sound without grilles that can rust. SPT *Extreme* is also available without speakers.
